*ArtsWestchester's programs and services enrich the lives of everyone in Westchester County. We help fund concerts, exhibitions and plays through grants; bring artists into schools and community centers; advocate for the arts; and build audiences through diverse marketing initiatives.*

*Our vision is of a Westchester in which every man, woman and child can explore his or her creative impulses; where the arts are accessible to every sector of society and are an educational priority in our schools; where opportunities for artists are plentiful; where public art is fundamental to the landscape and cityscape; and where a new generation can use the arts as a window to the world.*
